We need 10 Interns

Our goal to match students with their fields, but all fields can be used in any activity

Interns can work on any of these activities.

K-12 (Pipeline to Paine)

Various Summer Camps

S.T.E.M. Program

Literacy Program
(GED)

Book Club Activities

Special Education (Voc. Rehab & Skills Training)

Community Service – Leadership Training

Special Assignment

Anyone interested in helping create an interactive history wall for the Black Youth Heritage Expo that is part of the field trips at Boggs. I did not see any technology majors, but if this is something in your heart, please join our team.

Or coordinate a contest among High School students
