

# African American Writers

Let Us Catalog Your Work  
in our research library.

We are seeking books from  
**“All”**  
African American Writers  
to fill our shelves.

The Boggs African American Research Library & Culture Center is seeking books written by and/or about African Americans. This library will be created at the former Boggs Academy in Rural Keysville, Ga &

**We need books to be successful**

So please, if you are a published African American Author and would like to have your book or books in our library please donate a few to our Library.
